During the recent pandemic situation, trust of students in the administration has decreased a lot.

Solution:

Open discussion of students with the Student Council and Administration Representatives.

Problem:

Students have limited access to resources and equipment in their hostels for projects which are available in New SAC's Club rooms and after 12 am, it is pre-required for students to take permission.

Giving power to Club Secretaries/Heads for allowing students to use club rooms freely.

Solution:

24/7 open canteens in some hostels.

Problem:

Compared to other colleges, our college has a lack of awareness regarding LGBTQ+ community. Most of them are afraid to tell other people about their sexuality, which in turn creates more mental pressure and affects their lives.

Making a group on social media sites for the students which they can join anonymously and interact with other students.
