STUDENTS' GYMKHANA ELECTIONS

Year 2021-22

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM21/Elections/Agenda/

Agendas and Declaration Form

Post contesting for: UG Senator

Name: Ayush Raj

Nick Name: Rahul Singh

Tagline (Punch line): Great opportunities come to those who make the most of small ones.

Agendas:

1. **Heading:** Installation of Jet sprays in each hostel in a phased manner.

Domain: Maintenance.

Proposal: Many of the students are used to jet sprays; absence of which makes using washroom for them a little difficult.

Possible Solution: We must install at least one jet spray in every washroom of every hostel.

Plan of Action: After the approval of the proposal in Senate, I will coordinate with the maintenance section for installation of jet sprays floor wise.

2. **Heading:** Proposal for CC and library to be opened till 2AM throughout the semester.

Domain: Administration.

Proposal: During the regular seasons, many students want to stay in library after midnight too.

Possible Solution: We shall extend open time up to 2:00 a.m.

Plan of Action: We will talk to admin of CC regarding this problem.

3. Heading: Changing the LAN cables and switches in all the hostels.

Domain: Maintenance.

Proposal: The main reason of internet getting disconnected every week or two is the damaged old LAN cables.

Possible Solution: We can replace the deteriorated cable which not only smoothens the internet service but also is cost efficiently as day-to-day services will become negligible.

Plan of Action: After the approval of the proposal in Senate, I will contact cc to change the cables ASAP.

4. Heading: Proper sanitization, pest control and grass cutting in the campus.

Domain: Maintenance.

Proposal: A few cases of snakes crawling in our hostel corridor have been found. Fear remains of these snakes crawling inside our rooms from windows or left off open doors sometimes. Keeping in mind the current situation of pandemic, we must sanitize our hands before touching any institute property. Number of mosquitoes increases drastically in monsoon season so does the probability of diseases like dengue, malaria etc.

Possible Solution: Ensuring regular trimming of grasses at least in vicinity of hostel rooms. Providing sanitizers at places like library, cc etc. Spraying with pesticides during monsoon season.

Plan of Action: Coordinating with maintenance section to perform these actions as per requirement.

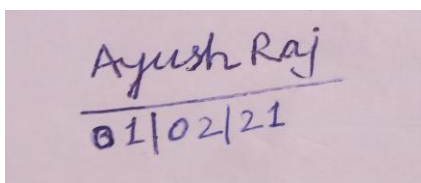

Experiences (Credentials if any):

1. Led the Bihar Flood Relief Campaign inside the Campus.
2. Active Member of Athletics Club.
3. Member of the Chhath Pooja Organizing Committee.
4. Active Member of Siang Sports Council.
5. Former Team Member, PR and Branding Alcheringa.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
