Agendas and Declaration Form

Post contesting for: PG Senator

Name: PRIYANSHU GUPTA

Nick Name.: PRIYANSHU

Tagline (Punch line): Learn together, Grow together.

Agendas: [Agendas Video](#)

The list of my agendas has its primary focus on **I.A.S.**

I NTERNSHIP A LUM-NETWORK S PORTS

1.) Internship Opportunities

Domain: Career Development

Problem: Most of the PG students are not ready for internship as they have yet not spent sufficient time on their skills and polished it. So, they might not grab internship in the month of September – October.

Possible Solution: If they are given an opportunity in the month of January-February, they can make the most use of the time given to them.

Plan of Action: Many companies or organisations hire candidates for summer internship. So, with the help of CCD we can invite those and set up internship drive in Jan-Feb especially for PG interns.

2.) Good Alumni Network

Domain: Alumni-Network

Problem: Since, most of the PG programmes are of two years. So, PG first year students don't get connected with their super seniors generally, which results in weaker bond among different different batches of PG as compared to UG programmes.

Possible Solution: A platform can be implemented where alumni can post the stuffs they want to share with juniors. (e.g. – Day at XYZ company, opportunities and vacancies etc)

Plan of Action: A web portal which is accessible only with IITG web-mail can be introduced. It can be an open-source project, where all the modifications are always welcome in order to keep it updated and bugs free.

3.) Sports related workshops

Domain: Sports

Problem: There is very less participation in sports from PG courses due to several reasons.

Possible Solution: There are lot of students who want to play games but they choose not to opt it because of less confidence in participating in officially conducted games. If we can motivate them via any method and develop their interests in sports, they would take initiative and eventually participate.

Plan of Action: We would organise workshops on a regular basis where anyone can register and get a training from scratch. This will boost their confidence level and generate a feeling of team-work and sportsmanship.

Along with these three, I will try my best to work in following direction:

4.) Reserved Seats for PG in Extra Curricular Activities

Domain: Societies and Clubs

Problem: Generally, PG students don't get involved in ECA whether it be participation or responsibilities.

Possible Solution: Considering the experience of PG students, they can be given any position of responsibility for the betterment of that particular society/clubs, which would motivate other PG students to take participation too.

Plan of Action: I will try to convince all the societies or clubs representatives to have a few spots reserved only for PG students.

- **Many of you must be thinking why have I not included agendas like – Single Room, Stipends, Wi-Fi accessibility, Draining issues etc. Right?**

“I thought of not including the things which (directly or indirectly) I have not faced or seen yet. But these issues won't go unnoticed for sure.”

Do use of your valuable vote for the betterment and upliftment 😊

- **STANDING POINTS:**

1. **Internship** - Internship Opportunities for PG students.
2. **Alum Network** - Building a better Alumni Network.
3. **Sports** – Organising sports related workshops on a regular basis.
4. **ECA** - Reserved Seats for PG in Extra Curricular Activities.

- **PHOTO:**

Experiences (Credentials if any): [Proof of credentials](#)

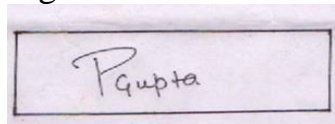

- 1. Class Representative** – Department of Mathematics, Deshbandhu College, University of Delhi (2017-2020).
