

STUDENTS' GYMKHANA ELECTIONS

Year 2021-22

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM21/Elections/Agenda/

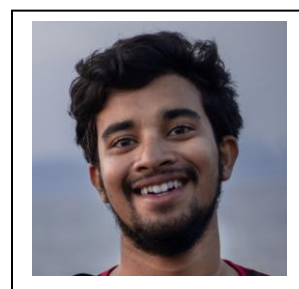

Agendas and Declaration Form

Post contesting for: General Secretary, Student Alumni Interaction Linkage

Name: Neeraj Kumar

Nick Name.: Neeraj

Tagline (Punch line):

Agendas:

1. Career Guidance Event

Proposal-We will call our distinguished Alumni from different fields (Academic/Research, Jobs in core-field, Non-Core Jobs, UPSC prep., Startups, Unconventional Path) to guide the Students in campus especially the first and second yearites. The event will include lectures on all the different fields mentioned above; each lecture will be on the Alumnus path to success in their domains. There will also be a Panel discussion with all the Alumni present.

Plan of Action- This event will be organised during the odd semesters. We will reach out to Alumni during the Summer break.

2. Placements Mock-Interviews by Alumni

For Preparing the Final yearites for one of the most important event of their Campus Life.

Proposal-Before placement interviews we will have mockup interviews by our Alumni for the Final yearites, Mentors will be allotted to final-yearites who will guide them to placements.

Plan of Action-We will reach out to our Alumni community and find interested alumni. Interviews will be organized on weekends or holidays.

3. Organise Reunion

Proposal-Start a tradition of organizing Reunions for Batches on their 10 years Anniversary of Graduation.

Plan of Action-We will start with the batch of 2011 for this year. Since it's been only 10 years it will be fairly easy to reach out to them. We will also start making a database for the first batch that graduated from the institute in 1999 to call them on their 25 years anniversary of Graduation in 2024.

4. Donate _____ to your Hostel/Club/Department

The present system of donations on campus is very vague and general. I want to bring more transparency.

Proposal- We can get more donations if we ask the Alumni to donate for a particular Object that the Hostel/Club/Department needs.

Plan of Action- A webpage will be added on the current SAIL and Alumni Association website where Alumni can see the fundraiser. Including details like the money raised so far and how much more is needed.

5. Alumni Sourced Career Opportunities

As of now if any Alumnus/Alumna wants to hire an intern in their company or startup, They reach out to anyone they know on campus who forwards their message to his friends which leads to very limited reach. Due to this long process, our students lose many good opportunities

Proposal- Add a webpage where Alumni can fill their requirements and we will share with the whole campus

Plan of Action- We will brand it across the Alumni-Community and a link to the above webpage will also be added on IITG AA website

6. Alumni Reachout

Proposal- To celebrate the achievements of our Alumni

Plan of Action- Regularly we will find one Alumnus/Alumna who have achieved something big in their Domain. We will release a poster celebrating their achievements and send a certificate to them from Campus.

7. Alumni Meet

Proposal- Inviting all the Alumni of IITG to campus for a three-day event which includes lots of networking between the Alumni and the current students.

Plan of Action- Events and Get together meets will be organised to give the alumni who visited campus lots of memories.

8. Monitoring Work

-Farewell for the 2021 Batch: The past year has been very unfortunate for us. SAIL organises a lot of events for the final yearites like the GTP, Yearbook and many others. I will put my best efforts to make these possible for the 2021 batch.

-Increasing the frequency of Webinars and Alumni Talk: Webinars and Alumni Talk will be organised more frequently.

-Increasing Mentors for AMP from unconventional paths like Startups, Magicians, Musicians and many others.
