Post contesting for: Institute General Secretary, Sports Board.

Nick Name.:

Tagline (Punch line): If you change nothing, nothing will change.

#### **Agendas:**

##### **Freshers Orientation & Tournament:**

- Club wise Sports orientation/tournament for freshers in the first month of their arrival in the campus.
- Medals and prizes will be distributed to best players in each sport.

##### **Summer camp:**

- Trials for summer camp will be scheduled one week before the end-semester exams, so players get enough time to prepare for end-semester exams and enough practice time to re-gain their performance after this long Covid break.
- Full time physiotherapist during camps (summer and inter-IIT camp), so injured player gets back on the field as soon as possible.

##### **Tournament Funding & statistics-based analysis:**

- Providing funds for teams to represent IITG in different tournaments in various IITs like Spardha (IIT BHU) if the team fits in the provided criteria.
- Event manager will arrange outside teams (Guwahati and near cities) for bi-weekly matches, and event manager will be responsible of providing funds for the equipment, travel and refreshments.

- The major responsibility of the club secretary will be to provide the score sheet of any tournament held within a day from the tournament, so that we can share the best performances statistically with the other players and can discuss these findings with the coaches. The aim of this measure is to facilitate discussions about the performance of the players rather than debating over wins and losses.

#### **Digitized Records:**

- Will work on the digitization of records and data of ongoing tournaments on the Gymkhana website so that the performance will be accessible to all. This will provide inspiration to the players, as they can access the performance statistics of the best players.
- We will provide information of each and every equipment available in the club on the website and will make sure to update the information regularly.

#### **Increasing participation of girls:**

- Inclusion of a female co-secretary in every sport, to ensure that the participation of girls in these activities increases. The female co-secretary has hands-on involvement in keeping track of each and every female player's and team's performance.
- Will organize proper matches of female teams in our campus with the teams of other local colleges in Guwahati and all the stats will be shared on the Gymkhana website.

### **Proper Maintenance of ground and equipments:**

- Will include a **grievance form/complaint section** on the sports board website so that complaints about maintenance and other problems with the equipment can be directly posted on the website, so that these problems can be rectified as soon as possible.
- Proper lighting will be there for the cricket nets, so that cricket practices sessions can be scheduled in the night as well.
- New gym equipment will be added and old equipment will be regularly repaired.

### **Inter-club activities:**

- Every month, the club members and coaches will decide on the player of the month for the club. This information will be released directly on the sports board website/pages so as to increase competition in the club to motivate the players.
- Recreational and fun activities between clubs will be arranged on festivals and sports day to increase interaction and instill a sense of unity among the clubs.

### **To encourage sports among the masses:**

- **Ground timings extension** for PhD students, so they can practice even if they are late from the lab.
- To develop the sport culture in campus, sports board with hostel secretaries will organize inter-hostel competitions in hostel grounds throughout the year exclusively for non-inter-IIT players.
