

Agendas:

1. Improving the mental well-being of the PG students by increasing the supervisor-student rapport.
2. Developing a support mechanism for PG students to help them deal with professional and personal problems during their time at IITG.
3. Identifying key non-personal reasons for discontinuing a PG at IITG, and reducing them.
4. Organizing events for research oriented professional development of the PG students.
5. Improving PG placement by creating placement centers in major cities for outreach.
