

STUDENTS' GYMKHANA ELECTIONS

Year 2021-22

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM21/Elections/Agenda/

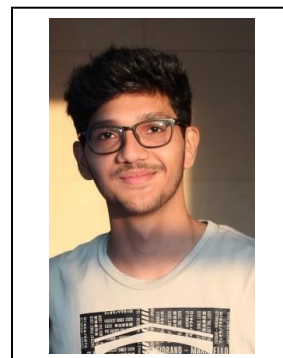

Agendas and Declaration Form

Post contesting for: UG Senator

Name: Akshat Rana

Nick Name.: Rana

Tagline (Punch line): Make it Possible

Agendas:

1)**Heading:** Making the process of procuring Bonafide certificate/NOC easier.

Domain: SWC and Student Affairs

Proposal and Plan of action: Generally, it takes 5-7 days to obtain a bonafide certificate or NOC as it gets approved by the Professor, HOD and Department office. To make this process easier, I will approach the SWC to create a portal, shifting the whole process online. This will save the students from the continuous back and forth emailing.

2) **Heading:** Installation of more WiFi routers to improve connectivity

Domain: Technical Board

Proposal and Plan of action: Many places on the campus lack WiFi connectivity or weak signal persists in some places. My proposal will be to install WiFi routers on the campus in areas with weak connections like shopping complex and some parts of Academic Complex.

3)**Heading:** Increase in E-transport Facility in campus

Domain: Establishment and SWC

Proposal and Plan of action: Students always face the problem of lack of transport facilities inside the campus. To solve this, I will work with the establishments section to increase the number of E-rickshaws in the campus and will also explore other E-transport alternatives. Also, I will work with SWC to start and maintain a booking and feedback system for the E-rickshaw users.

4) **Heading:** Opening of new food trucks/stalls

Domain: Establishment

Proposal and Plan of action: New food trucks/stalls can be opened up on the campus. Since these food trucks' timing can be flexible until late at night, this will meet the needs of students who stay up late, especially during examinations. I will conduct a survey and will contact different Local food vendors/ Established Franchise accordingly.

5)**Heading:** Buses for the Airport at the start and end of semester

Domain: Welfare

Proposal and Plan of action: In order to increase the transport options to reach the airport at the start and end of the semester, I propose to start bus services from college to the airport and back. This will be done by coordinating with the Establishment section to provide buses on the selected dates.
