Contesting for General Secretary Sports Board

1. Ensuring maximum participation of the College Junta in sports by making Games and activities more accessible.
Sports and Games should be addressed as not only as a means to compete for seasoned players, but also as a path to fitness by each and everyone on the Campus.
 - 1.1. I plan to introduce an adventure activities course, for instance consisting of Rock Climbing, Rope Climbing, Ziplining, Rappelling that the Junta can access in the presence of an Instructor.
 - 1.2. Provision of an increasing number of equipment for each sport (E.g - Tennis/Badminton/Squash/TT racquets, Cricket bats, Hockey Sticks) for everyone, maintaining a registry for the same.
Minimal fine for damage/misplacement of Equipment.
 - 1.3. Annual Sports Magazine of IITG - This will include the achievements of students over the year in several competitions. Will cover detailed commentary of exciting matches of Spardha and Inter-IIT, and other note-worthy records. Interview with Sports Persons as well as Alumni-talks. Records set/broken by students during the year.
 - 1.4. Increasing social outreach through very active Social Media handles announcing every event and achievement; along with regular updating and maintenance of the Sports Board website.
Campaigns like 'Win India' conducted under Sports Board IITG, so that students can feel a part of the campus even in Online semesters.
2. Actively working towards securing the top spot in Inter-IIT
 - 2.1. A month-long orientation of the Sports board, where Freshers will be divided into groups and each group will play each and every sport in a planned manner.
This will familiarize freshers with the games early on, help them make decisions, and help the respective Sports Club members to identify new talent.

- 2.2. Participating in College Tournaments in and around Guwahati, giving most of the club members a chance to compete, and also bring in accolades for the College. The aim is to further extend this idea for participation in Udghosh (IITK), Spardha (IITBHU), Shaurya (IITKGP).
 - 2.3. Consulting Dieticians to lay down a proper diet plan for students respective to their sport, during Summer Camp, as well as right after InterIIT Team selection.
 - 2.4. Driving the '20 Batch of Freshers to participate in Summer Camp of this Summer, so that their lack of practice during the first year would be compensated upon. Motivating them early on online, I will ensure maximum participation of the '20 batch in the Summer Camps (taking responsibility for an healthy and welcoming environment in the campus) so that the college has an upper hand over other IITs in Inter '21.
 - 2.5. Having a Contingent Tshirt ready for everyone attending the Summer Camp (or otherwise) so that they can represent the College in the above-mentioned competitions.
 - 2.6. Mentor-Mentee program under every sport so that Mentees have personalised mental support and also learn how to manage their academics alongside Sports.
 - 2.7. Actively participate (me, as well as the Club secretaries) in the Coach hiring process for InterIIT coaches so that the students get the training they require and deserve (as well see to it that sports like Squash don't remain Coach-less).
3. Working towards enhancing the Sports Infrastructure of the college.
 - 3.1. Ground-booking Portal (in collaboration with SWC) for the junta in non-sports hours, keeping in mind that Inter-IIT/Tournament practice and SA/NSO are not affected.
 - 3.2. A Long-term plan to create a Rain-proof environment, owing to high-rainfall in the region. This will be initiated by ordering air-blowers, court-drying equipment, rain covers.

- 3.3. A central record database that catalogs Records set by our teams or sports persons in Spardha, Spirit and Inter-IIT. This will include both formal and informal records set by students.
- 3.4. Introducing Kabaddi as a sport in the campus, beginning with Spardha, the formation of a Kabaddi Club, a Kabaddi ground, introducing variety and indigeneity to the sports board.
- 3.5. Providing each field with Lockers/Cupboards so that club members can keep game equipment close to the respective grounds, sheds for the practice nets at the Cricket ground.
- 3.6. Improving upon the Gym Infrastructure - Gym trainers for both men and women, new equipment, water cooler facilities, exhaust in the Weightlifting room.
4. Girls
 - 4.1. Using the Girls Council, to conduct an Intra Hostel Sports League in the Girls Hostels early on during the year.
 - 4.2. Mentor-mentee programs for Girls to discuss and sort out reasons for non-participation.
5. Spardha
 - 5.1. Opening and Closing ceremonies for Spardha to increase crowd enthusiasm as well as a motive to stick to schedule. These will follow an Inter IIT type format.
 - 5.2. Workshops prior to competitions, especially so that the rules and best practices of lesser known events (e.g Javelin throw, Shotput, Discus, Kabaddi) are known to the participants and hostel secretaries.
