

### **1. Classroom / Hall Booking :**

Proposal : A group of students can book a Hall/Classroom (When available) for partial time , So they can present there work or Discuss Together on a project.

Benefits : It would help students to group study in exam time, one can teach on board , or present their idea like meeting , it will also helpful for those who need to improve their teaching and communication skills.

### **2. Utilizing Weekends :**

Proposal : There should have different type of extra courses/activities on weekends.

Motive : If there's an option for student to join a long running weekend course/activity (perhaps certified) , that would be more valuable, as it is for weekend only so it will be stress-less for students.

### **3. Fast Reply From Officials :**

Proposal : There should be a given time limit for officials to give the response/reply to students on mail.

Reason : As Many of us some timed faces this issue that replying to an email from officials takes a lot of time , so there should be a proper follow-up on that so student can be clear on query and proceed further accordingly.

### **4. Wi-Fi Accessibility In Hostel Rooms Also.**

Enough Routers should be placed in hostels So Students Who Don't have laptop can access wi-fi in there room also.
