Agendas and Declaration Form

Post contesting for: Institute General Secretary, Technical Board.

Name: Shridam Mahajan

Nick Name.:

Tagline (Punch line): Committed to people, committed to future.

Agendas:

Main Agendas: -

- **Opening more opportunities for club members and IITG Junta**
 - A proper report portraying the various projects and achievements of the clubs will be prepared which will help in strongly pitching the companies to recruit club members for internships and placements.
 - Clubs can prepare their own database of companies which they think are more likely to open for their domain which can be pitched to CCD.
- **Focusing on more Inter-club activities**
 - Inter Club projects can be focused upon as they promise a more targeted and well-defined project. More such projects can be showcased on Techevince which will also help in exchange of knowledge between the clubs and ensure a healthy collaboration.
 - For e.g. Data driven astronomy projects can be conducted wherein CnA club could help with the analytics part while Equinox club can provide the necessary domain knowledge for the completion of the project.
- **Collaboration with Incubation Centre**
 - Promotion of startups of IIT Guwahati students by ensuring mentorship through the incubation center and necessary branding to boost the same.
- **Opening Techevince for the Market**
 - Exhibition to showcase research projects of PhD and mtech students to campus junta and help them with funding by promoting them and pitching them to companies who might be interested in doing the same.
 - Projects showcased in Techevince to be provided media branding and possible sponsorships to make them industry ready.

Other Agenda Points: -

- **More involvement of Departments and Professors**
 - Will ensure more involvement of Departments and professors in the Technical Board so that they can associate with clubs and mentor them in various club projects.
 - Will ensure professors recommend some MTech, PHDs to work and help with the research projects associated with clubs, inter-club or 4i labs.
- **Mechanical Workshop access**
 - Often the clubs find it hard to gather machinery or equipment at the time of Techevince when each club is working hard to complete their projects. So to ensure a non cumbersome process for the club members to access Mechanical Workshop for Hardware related projects.
- **Common Resources Pool**
 - All clubs tend to release their learning material individually which becomes cumbersome for a fresher to access each club resources, thus will ensure that resources and learning material are available in a common repository which can be easily accessed by everyone.
- **Club Newsletters and Magazines**
 - Will ensure clubs release their newsletters or magazines which showcases the club achievements, projects, activities and events periodically and thus can be helpful for the upcoming batches to get acquainted with the clubs
- **Projects for Campus**
 - Will ensure each club works year round towards development of a project that aims to benefit the campus in some way.
- **Formation of Hobby Groups for emerging technologies**
 - Hobby groups can be formed for emerging technologies like Blockchain, Network Security, Ethical Hacking so that they can meet, develop and discuss ideas and further promote their group to become a full-fledged club.
- **Dedicated Outreach team for Technical Board**
 - An outreach team can be formed under the Technical Board which can help bring outreach recognition to clubs and their projects.
 - Proper Alumni Interaction can also be achieved through this.
- **New Equipments and hardware**
 - Will target on equipping the Clubs with more state of the art GPU's, Hardware and proper workstations.

Experiences (Credentials if any):

- **Events Manager, Robotics Club (2020)**
- **Associate Manager, Technical Team, Inter IIT Tech Meet (2021)**
- **Chief Organiser and Online Head, Technothlon (2020)**
- **Raman-Humanoid Bot, 4i Labs IIT Guwahati (2019-2020)**
- **Mentor, Biped, Techevince (2020)**
- **City representative, Technothlon (2019)**
- **Winner Electronics Hackathon, Kriti (2019)**
