STUDENTS' GYMKHANA ELECTIONS

Year 2021-22

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM21/Elections/Agenda/

Agendas and Declaration Form

Post contesting for: Vice President

Name: Sukhjeet Arora

Nick Name.: Sukhjeet

Tagline (Punch line): "Teamwork Divides the Task & Multiplies Success"

Agendas:

Major Points:

1. Setting up Career Counselling Cell (opportunities in non-tech, UPSC, CAT, GRE, MS, PhD and Post-Doc in foreign Universities); options available for change of field
2. Setting up Committee for CIF and common labs to organize Workshops quarterly for learning instruments in CIF and common labs. Committee to ensure quick repair of instruments in CIF and Email-notification facility upon slot confirmation
3. Sanitary Napkin Dispensers in Academic & Sports Complex; Female Gym trainer for Ladies Gym; 24x7 access to New SAC, hostel canteen and common areas
4. Domino's Pizza Outlet in Food Court, Resuming club activities, sports and HMCs

Agendas:

1. Setting up Career Counselling Cell (opportunities in non-tech, UPSC, CAT, GRE, MS, PhD and Post-Doc in foreign Universities); options available for change of field

Plan of Action: Experts on exam preparation for UPSC, CAT, GRE and Experienced Students will be brought together for facilitating ONE CREDIBLE Channel for guidance. I will work with CCD team, SAIL, SAB, and Academic Initiatives club of Welfare board to setup this team. This team will first publish the FAQs satisfying the majority of questions. Once student has chosen the desired field, he/she will have an option to connect to experts directly

2. Setting up Students Committee for CIF and common labs to organize Workshops quarterly for learning instruments in CIF and common labs. Committee to ensure quick repair of instruments in CIF and Email-notification facility upon slot confirmation

Plan of Action: A team of at least 5 Research Scholars will be setup. I will get this team recognized in SAC. The fund requirement for arranging the workshops would be minimal as the Machine Demo Engineers from Company will be called upon. Team will work alongwith CIF team to fastrack repairs. Email notification requires an addition in the booking portal.

3. Permanent Stage structure at swimming pool ground for medium-large scale events of clubs, DJ Nights

Plan of Action: The budget used (in Lacs) for installing temporary stages will instead be used for buying equipment for clubs which will serve the purpose for years. I will get a permanent stage at Swimming Pool Ground from IPM and Maintenance funds of the Institute.

4. Revamping Campus Broadcasting System and recognizing it as a separate board under Students Gymkhana Council

Plan of Action: CBS has been put to halt because of poor handing over of the equipment. Firstly, I will get a current stock entry of the recoverable items and resume the learning of operation of high-end equipment by experts. Second, on the sidelines, I will setup a committee to look into the incurred losses and possible recovery solutions.

5. Bus regulation committee

Plan of Action: A long-time pending issue of inconsistent operation of institute buses and unprofessional behavior will be addressed. I will personally lead the committee that will look into all the possible solutions. One Stop App of IITG SWC will be used for tracking the routes and launching complaints publicly.

6. 24x7 Access to New SAC and Hostel Common Sitting Areas for both genders

Plan of Action: I, alongwith the students senate and executives, will get the approval in upcoming SAC. The discriminatory rules shall be phased out now. Free flow of ideas, social/intellectual interactions at comfortable places will be ensured.

7. Additional provision of offline events approval process to accommodate innovative ideas of workshops/events

Plan of Action: An addition of option in Approval portal that will have facility to file the request for event first and the entire process of approvals done offline by the secretary and uploading of final approved document back to portal for keeping the record and transparency

8. More number of E-rickshaws and internal buses during peak hours

Plan of Action: More vendors will be invited to ply the E-rickshaws, E-carts in the campus to facilitate movement. Capacity of bus or the number of Internal buses will be increased.

9. Dogs Care to control their growth in number

Plan of Action: I will setup a committee of senators that will work with interested animal care group of students & faculty to work on sterilization of dogs. This committee will take help from local authorities for execution of this drive. An empty building at KV gate will be assigned temporarily for execution of the drive and intense care of dogs after sterilizing.

10. Renovation of flooring of Dance Room, Old Badminton Hall and carpeting of the courts in new badminton hall

Plan of Action: Termite treatment of Dance Room floor will be done on priority basis through the maintenance section. Badminton and other courts shall be followed up with sports office. If they find difficulty in locating a vendor, we will take forward this task of locating

11. Enhancing One Stop App to launch complaints, raise concerns, bus tracking, policy making discussions regarding upcoming agendas for SAC, and senate meeting minutes

Plan of Action: One Stop App will be made a new Platform to cater all the needs of Campus Junta. It will not only serve with the information but also will have the facility to raise concerns regarding pertaining issues of Campus and student representatives will respond to all such queries.

Importantly, we will enable G-Sec meter throughout the year on this app instead of starting it at the end of Gymkhana tenure. I will work with SWC in bringing this positive change.

12. Movies Screening in Auditoriums at the weekends

Plan of Action: Along with Lumiere Club, I plan on arranging movies screening in Main Auditorium and Mini Auditorium in the weekends

13. Public toilets at different locations Campus Entrance Gates to facilitate parents visiting campus (Taxi drivers, Delivery Personnel, contract workers would also be the beneficiaries to avoid open defecation)

Plan of Action: I will put this request through students senate to IPM section for constructing the facility of restroom, drinking water at the entrances of IIT Guwahati

14. Setup of Provision for Formal Monthly Meeting of all MMC, Mess Managers, GS Hostels, JS HAB, GS HAB, VP, and interested students to discuss the Overall Performance (OPI) of all mess, Best and Worst Practices, and Feedback of boarders

Plan of Action: A resolution will be passed in HAB meeting that will allow this provision formally. In my experience, this helps in increasing the entire average of Mess Food quality

15. Opening of Dominos outlet in Food Court, New SAC and One dedicated full-night canteen

Plan of Action: I will work alongwith services committee to bring the Domino's Pizza Food outlet to the campus. We will shrink the area allotted to Florentine to accommodate this. Also, we will work towards a 24 hours Food Outlet at Vinaegrette (commonly known as IRCTC) location.

16. Installation of ATM in Food Court, New SAC

Other than meeting the purpose of cash availing, it would help growing the business in Food Court

Plan of Action: We will request the ICICI bank to install an ATM at food court, New SAC

17. Utilization of HAB interest income (It is in the range of 3-4 Lacs per quarter)

Plan of Action: I will work closely with General Secretary, HAB to work under the already passed resolution for utilization of this income. I shall put it to the purpose of buying equipment like Tandoors for mess, Microwave Oven for Pantries. A part of this fund can be transferred to Students Gymkhana Account that will help in performing welfare tasks that do not specifically come under any board. Eg: Sanitary Napkin Dispensers, Coffee/Tea Vending Machine at Central Library

18. Lounge area in Academic Complex for Specially-abled, and Lunch facility from their mess

Plan of Action: I will work closely with administration in setup of Lounges for specially-abled at Cores. This will facilitate them by cutting a trip back to hostels during a break

19. Ladies Restroom in Barak and Kameng Boys Hostel

Plan of Action: Only 2 out of 14 hostels are remaining to have this very important facility for our visiting parents, visiting girls students/staff/faculty. I will work with IPM section and Associate Dean of Students Affairs to construct these on Fastrack basis

20. Temporary Food stall exclusively by Campus Junta in Food Court, New SAC

Plan of Action: Open Foyer (paved) between the New SAC and Food Court will be used to put temporary stalls so that interested group of students/ family of staff/faculty can put up temporary stalls on weekend. This will immensely help in bringing the delicious regional tastes to the Campus Junta

21. Central Monitoring committee which shall conduct surprise checks in Kitchen area, storage area, and dining area of Hostel Mess

Plan of Action: This (already approved but not functioning) committee will conduct surprise check to ensure that no vendor uses the inferior products in Mess, Canteens and juice Centres.

22. Excess-Food Donation from Hostel Mess after each meal with the help of NGOs instead of dumping it

Plan of Action: I will encourage JS HAB to resume this social service (started in my tenure as JS HAB, with support from GS HAB)

23. Provision for all HMCs to come together and arrange celebration events on festivals/special occasions in association with Cultural Board

Plan of Action: The events like New Year Celebration, festivals, DJ Nights, musical nights can be arranged on a larger scale (than individual hostels) if an official provision for pooling the money is setup. I will propose this in HAB meeting, Student Senate and finally, SAC.

24. Increasing IITG bus frequency to/from Jalukbari with timings till 10pm

Plan of Action: Alongwith the existing bus services, additional buses shall be made available from Jalukbari at the late hours to facilitate coming back to the campus from City and preventing any untoward incidents. I will file this request through student senate to administration.

25. Digital Payment Facility at Pharmacy shop in IITG Hospital

Plan of Action: I will implement the already passed resolution in HoAB asking the Pharmacy to have online payment facility for convenience of Campus Junta

26. Encouraging Intra Departmental and Inter Departmental sports, cultural, competitions which would increase students, and faculty-students interaction

Plan of Action: Seeing the upcoming gap in Sports, cultural activities, I will encourage additional activities on Intra & Inter-department level by recognizing them and arranging permissions, special funds for the events, and the prizes

27. Sports Facility improvement in hostels to reduce the load on central sports facilities

Plan of Action: I will bring sports board and HMCs sports secretaries to collaborate and work on upgrading the in-hostel grounds for designated sports. This will certainly encourage students to explore sports activities, possibly develop an interest and bring glory to their hostel and Institute

28. Coaches for all sports; Female and male trainer for ladies and central gym respectively

Plan of Action: With severe problems (like the pandemic), there comes the opportunities as well. This is high time when we need coaches for all the sports to fill the gap in sports activities.

29. Portal for HAB to speed up the refund process

Plan of Action: I will work with HAB to develop a much-needed portal for handling the mess refund process efficiently so that due refund reaches the students right after the month ends.

30. Drinking water and Food points outside the hostels for dogs and cats so as to keep canteen area hygienic

Plan of Action: I, alongwith senators, will work with interested animal care groups to cater for the very basic needs of dogs, and cats like water, food, and hopefully shelter as well

31. Optimum use of space available in New SAC; permanent allotment of space to Drama Club

Plan of Action: I will work with all the boards and their clubs' secretaries to satisfy the need of space for all the activities in New SAC

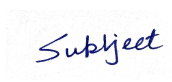

Experiences (Credentials if any):

1. General Secretary, Hostel Affairs Board, IIT Guwahati (18th March 2020 onwards)
2. Joint Secretary, Hostel Affairs Board, IIT Guwahati (16th May 2019 onwards)
3. Event Coordinator, Cyclothon 3.0 Red Ribbon Club, IIT Guwahati (7th March 2020)
4. Student Organizer, SPIRIT, Annual Sports Festival, IIT Guwahati (26th - 29th September 2019)
5. Event Coordinator, Blood Donation Drive 2019 at IIT Guwahati (30th August - 1st September 2019)
6. Event Coordinator, Cyclothon 2, Red Ribbon Club, IIT Guwahati (24th August 2019)
7. Core Member for conducting Cyclothon + Drawing + Essay Writing Competition (27th January 2019)
8. Core Member, Red Ribbon Club (2018-2019)

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.
