

# AGENDAS

## **Agenda 1:**

Increase gym equipment in the girl's gym.

Domain: Sports Board

Proposal: Installing new gym equipment as per the requirements of the girl students on the campus.

Plan of action: The necessary pieces of equipment will be listed on basis of a survey and the proposal for the same will be put forward through the general secretary of the sports board.

## **Agenda 2:**

Increase Sanitation in washrooms on the campus.

Domain: Collaboration with maintenance section and hostel affairs.

Proposal: Maintenance of cleaner washrooms around the campus.

Plan of action: The proposal will be forwarded to the maintenance section and hostel affairs to fix bathrooms, not in working condition, making sure the washing machines are in clean and working conditions by servicing them regularly and installing jet sprays in western toilets.

## **Agenda 3:**

Increasing interactions with female alumni of IITG in order to provide industry guidance regarding various career paths through webinars.

Domain: Collaboration with SAIL

Proposal: Conducting alumni webinars

Plan of action: Network would be created with alumni to share their experience in their field and provide guidance in the same.

## **Agenda 4:**

Spreading coding culture among girls. A female coding community will be formed. Increase contribution through open source project.

Domain: Technical board

Proposal: Increase coding culture and help girls with all the problems they face while their preparation.

Plan of action: Students interested in coding will be formed into groups and assigned a mentor to help them clear their doubts and provide guidance.

## **Agenda 5:**

Sanitary pads to be available in stores in Core buildings and the Library.

Domain: Welfare Board

Proposal: sanitary pads to be sold in Core buildings.

Plan of action: The proposal will be put forward to the canteen and stationery shops in the core buildings to sell sanitary pads in one of the two stores in at least two alternate core buildings.

## **Agenda 6:**

Clean maintenance of food courts and preventing the entry of dogs into foodcourt.

Domain: Maintenance section

Proposal: Ensuring regular cleaning of the food court and restricting dogs from entering

Plan of action: The proposal will be forward to the maintenance section to clean the food court regularly and enforcing strict regulations on keeping doors closed for dogs.

**Agenda 7:**

Encourage girls and Mtech students to participate in technical, sports, and cultural competitions in inter hostel events.

Domain: Collaboration with Hostel Affairs Board

Proposal: Increase 3rd, 4th year UG girl and Mtech students participation in technical, sports, and cultural events

Plan of action: Coordinate with the HMC to encourage and therefore increase the participation of students in inter hostel events.
