STUDENTS' GYMKHANA ELECTIONS

Year 2021-22

Indian Institute of Technology, Guwahati

File Ref: IITG/SAC/GYM21/Elections/Agenda/

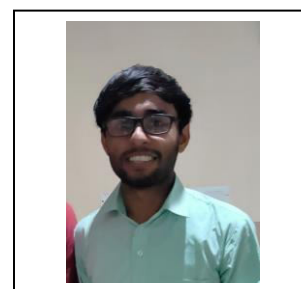

Agendas and Declaration Form

Post contesting for: General Secretary, HAB

Name: Puranshu

Nick Name.:

Tagline (Punch line): No Could, only can and will.

Agendas:

1. Domain: **HAB (Hostel)**

By keeping in mind some important issues of hostels I want to address them in following points:

- **Mosquito net:**

As we know mosquitoes are very common in our campus and every secretary have raised this issue. But we must not forget the important factor that it is not feasible to provide and install mosquito net in every hotel room (6,700+ rooms) in span of a year. Also for installation of these nets, many hostel windows will have to be reconstructed and this whole process will require heavy work and will not be cost effective.

Plan of action: In most cases student themselves purchase the installing material like net, hook and loop fasteners and then pay to mechanic for installation. I will ensure that the mechanic will be available for a certain time period and will install the net. His work will be compensated and it is essential that you have the installing material.

- **Sports Room :**

Only a few hostels have maintained proper dedicated sports room. The current scenario of few hostels is that there are not enough equipment which creates trouble in events like Spardha.

Plan of action: I will ensure to co-ordinate with general secretaries of respective hostels to get you essential equipments.

- **Laundry Services:**

In current system, the washing machines are placed in washroom itself and it is inconvenient for students and also these machines create disturbance to students.

Plan of action: For this I will propose for construction of separate rooms with enough machines so that we can avoid any problems.

- **Regular cleaning of water cooler:**

This is an essential need for daily life and should be addressed. To ensure no room for diseases water cooler will be cleaned frequently and in some cases these coolers will be distant from washrooms.

- **Ladies' restroom in boy's hostel:**

Girls still faces these problems while visiting boy's hostel. Hostels where there is placement interviews, only they are having these washrooms.

Plan of action: I will propose the construction of new ladies' restroom in every hostel if need be.

- **Better cycle stand for hostellers:**

We know that construction of cycle stands is still incomplete. It costs great deal of inconvenience specially in monsoon season.

Plan of action: I will ensure starting of the construction and its completion as fast as it can after consulting with respective general secretary.

- **Hostel Libraries and Music Room upgradation:**

As in current scenario these allotted rooms are mostly used for other purposes except the time of exams and Manthan. Sometimes these rooms are used for storage of luggage of hostellers in summer and winter break.

Plan of action: Music rooms will be maintained properly for music and dance enthusiasts.

General Secretary can reach us for assistance. I will try to shift the luggage to store rooms and if still not work out then I will ensure to construct a dedicated room to this.

- **Gas pump at every hostel:**

I will ensure that each hostel get its own automatic gas pump, many time students have to visit selected hostels just to refill their bicycle's tire.

2. Domain: **HAB (Mess)**

This is an important aspect when it comes to daily routine of student and directly affects them. I would like to address following points:

- **Surprise inspections:**

Central committee which was formed in previous tenure which consists of 14 experienced members will increase the frequency of surprise visits not just only for mess but also check availability/functioning of amenities like Water cooler, exhaust fan, shower tabs, tube light of common areas etc.

- **Regular Food check:**

I will request every MMC to check the raw materials (including vegetables) before each breakfast, lunch and dinner.

- **Weightage of feedback system:**

In current system few individual tries to exploit the power given to them for personal gain and unethically try to present false ratings.

Plan of action: I will ensure that the feedbacks are processed through me and few trusted members of our community and also, the weightage ratio of students regarding feedback will be increased.

- **Mess refund portal:**

Campus junta faced some difficulties in previous years on mess refund and also on mess refund portal.

Plan of action: I will personally co-ordinate with Students' Web Committee to maintain data efficiency and make portable efficient and convenient.

- **Pantry for girls:**

In current scenario girls are not allowed to visit and cook in pantry in boy's hostel and other way also.

Plan of action: I will propose to recognize pantry as a common area wherever possible.

3. Domain: **Health**

In upcoming edition of semesters my main responsibility and focus as General Secretary, Hostel Affairs Board would be to ensure safe, secure and hygienic state for all the resident of campus as well as hostellers during my tenure. To ensure safety of campus junta, decision that might disrupt the harmony and put health at risk will be over-ruled. Keeping this in mind I would like to address the following points:

- **Online mode of meetings:**

To have least contacts between meeting attendees and to preclude close vicinity from each other, HAB meetings will be conducted online. I will certify that meetings will be online mostly. In unavoidable situation proper implementation of guidelines will be ensured.

- **Sanitizers and masks:**

Hand sanitizers and masks (N-95 or surgical) will be mandatory in stationary shops so that students and staff can have easy access. Frequent sanitizers will be provided by HAB to every hostel.

- **Zero contact delivery:**

Only zero contact delivery of one's products from trusted sites or restaurants will be allowed inside hostel premises.

- **Handwash refill:**

Availability of handwash refills will be increased significantly. As, it is mentioned in Covid-19 guidelines to frequently wash your hands.

- **Basic med-kit items:**

In current situation only few hostels have maintained basic and essential med-kit. Students had to go visit IITG hospital for prescription over minute problems.

Plan of action: I will ensure that every hostel must maintain these essential items and central committee will pay surprise visits.

- **Other measures:**

Even ensuring mosquito nets sometimes doesn't solve the problem completely and especially during monsoon, this problem increases. One way to tackle this is to spray insect and mosquito repellent frequently inside the hostel premises and I will ensure this during my tenure.

Experiences (Credentials if any):

1. Active member of IITG Hockey club.
2. I represented Kapili in Hockey and Volleyball.
3. I along with my senior, batchmates and freshers co-ordinated and formed a strong team to represent Kapili hostel in Spardha.
4. Represented IIT Guwahati at 54th Inter IIT Sports Meet in Hockey.
5. Helped hostel mates to present you a better Dipawali for IITG community at Kapili.

Few other points:

1. Ensuring the safety of campus junta will always be our utmost priority.
2. I will be accountable for every decision that is taken by me or by common decision.
3. Frequent meetings with General Secretary of each hostel when required in both online (mostly) and offline modes.
4. I will try to raise the student's opinion and perspective in front of administration on highest of my priorities as much as and as long as I can.

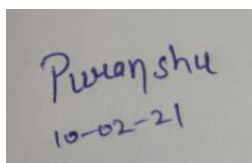

As we all know tenure of SGC is for one year. So, in my opinion false promises will not help us to build a smooth and effective system for current campus junta and upcoming ones. It will be injustice to all if I won't live up to my promises and fail to deliver them. I will try to learn from experiences and mistakes from the tenure of former GS HAB and will be glad if I can serve you better during my tenure. Critical thinking and questions regarding policies and there implementation will be entertained. Serving for IIT Guwahati will be my way of saying thank you for everything that I have received during my 3 years in this college to which I will always be grateful.

Declaration by the candidate:

I hereby declare that the above information is to the best of my knowledge. I do not have any disciplinary probation by the Institute and will abide by the rules and regulations laid for Gymkhana Election. I do not have any active backlogs to be cleared.

I know that any false information in this nomination form will lead to cancellation of my nomination and disciplinary action.

Signature of candidate with date:

A rectangular box containing a handwritten signature in blue ink that reads "Purnanshu" and a date "10-02-21" written below it.
