STUDENTS' GYMKHANA ELECTIONS
Year 2021-22
Indian Institute of Technology, Guwahati

Agendas and Declaration Form

Post contesting for: UG Senator

Name: Bathina Satwika

Nick Name.: Sat

Tagline (Punch line): Dedication in my heart consistent with my actions

---

Agendas:

1) **Vehicle Tracking with OneStop.**

2) **Know the culture of India at one place on our Ethnic day.**

3) **Optical Store.**

4) **Drinking Hot water facility in every hostel**.

5) **Installing sanitary napkin vending machines**

6) **Weekends are not for Exams**

1) Vehicle Tracking with OneStop.

- **Domain**: Establishment Section, Student Web Committee.
- **Proposal**: Reducing numerous doubtfulness related to the Institute transport service by adding Vehicle Tracking Technology into the Buses and Ambulances.
- **Plan of Action:** With the Establishment section's cooperation, we can buy the needed **Invoxia**. It is viable to include **Invoxia** into the institute transport facility. We can track the vehicle's location by adding an activity into the pre-existing mobile application "**One-stop**", and the Student Web Committee will look after the mobile application. So, with proper collaboration with the Establishment Section and SWC, this task can be achieved.

2) Know the culture of India at one place on our Ethnic day.

- **Domain:** Cultural.
- **Proposal:** Set one of the college's working days as Ethnic Day, where one dresses up with his cultural clothing, enhancing and showcasing one's regional culture.
- **Plan of Action:** Staying busy round the clock and overlooking our regional culture, on this Ethnic day the campus junta will be radiating their beauty and art of one's culture by dressing up in their regional clothing and participate in the daily college pursuits. Declaring a day as an Ethnic day from our academic calendar is possible by discussing and cooperating with the Cultural Board.

3) Optical Store.

- **Domain:** Health Care, Establishment Section
- **Proposal:** To introduce an optical store within the campus which handles the repair and sales of spectacles and lenses.
- **Plan of Action:** Light helps us to see the world of darkness as a world of brightness. What provides an accurate vision for the people who have an improper vision is a pair of prescribed optical. To handle any repairs related to the optical, one should go outside the campus in the look for an optical shop which is quite problematic due to their less availability and lack of carrier. So, with the collaboration of Health Care and Establishment Section, we can have an **optical store inside** the campus that deals with the **sales and repair of spectacles and lenses.**

4) Drinking Hot water facility in every hostel.

- **Domain:** Establishment
- **Proposal:** Setting up a water dispenser in every hostel for both drinking hot water and cold water.
- **Plan of action:** We dont have a permission to take a kettle into the college. This can be   done by contacting the HMC's of all the hostel.

5) <u>Installing sanitary napkin vending machines</u>
- **Domain:** Health Care and Hygiene
- **Proposal:** Installing sanitary napkin vending machines in academic areas like lecture halls, cores and more where students can easily access.
- **Plan of action:** Taking care of ourselves during menstruation is as important as taking care of our day-to-day activities. A Little negligence in menstrual hygiene management can cause our body grievous harm. It is disheartening to see and experience riding back to hostel for sanitary napkin as there are no provisions in whole campus to get them except in hostel stationery shop and market complex. Vending machines will be installed at places like library lecture halls and 5 cores where students often go. It reduces our effort and time.

6) <u>Weekends are not for Exams.</u>

- **Domain:** Academic.
- **Proposal:** Saturdays and Sundays should not be an alternative for working days for conducting academic activities like handling classes and conducting exams.
- **Plan of Action:** By accepting one of the consequences of this pandemic, we students are completing our semesters through the online assessment. The ample screen time and the continuous classes make the learning process somewhat tricky. To refresh, relax, introspect, and reassess our learning, **we deserve a break**. However, some of the exams will take place on weekends and summing up this situation; this makes the online semester more tiring. Furthermore, this situation can be solved by contacting and talking with SAB and emphasizing students problems due to academic activities held during weekends

<u>FOLLOW UPS</u>

1. Strict follow up of mess review.

2. Arranging mini golf carts in campus with a tenure.

3. Cleaning and Coverage of drains.

4. Maintenance of street lights.

5. Adding evening snacks in mess menu 2.

6. Arranging iron shop in market complex.

7. shed for waiting near main gate and KV gate.

8. Regular Movie Screenings.

Experiences (Credentials if any):

1) Core team member at MESA
2) PR and Branding Executive of Alcheringa
